

BOTTLETOYS

A127-BTOY

We create custom-made plush toys designed around your ideas, characters, and brand identity. Each plush toy is carefully produced with high-quality materials and filled with **recycled rPET stuffing made from post-consumer plastic bottles** - combining softness, durability, and a more sustainable choice. From concept to finished product, we turn unique designs into memorable plush creations.

All our toys are tested according to EN 71 standards and comply with EU regulations.

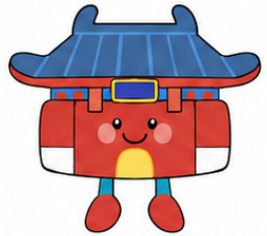

- MOQ** : 500 pieces (depending on design).
- Delivery time** : +/- 12-14 weeks (Seafreight).
- Material** : Polyester and rPET stuffing.
- Made in** : China.
