

GREENPILLOW

I USED TO BE A BOTTLE ♻️

A127-GPM (MINI/MAXI)

The GreenPillow with natural wheat filling is a perfect comfortproduct that provides soothing warmth for relaxation. You can heat it in the microwave and gently place it where you need comforting warmth.

It can also be used as an excellent cold compress for cooling down after activity or exercise.

There are two models: mini & maxi. Additionally, the GreenPillow can be packed in a custom made full-color cardboard gift-box.
