

## GOODTOWEL

A127-GT (S/M/L/XL)

The GoodTowel is a luxurious terry towel crafted from **100% recycled cotton**. Sourced from textile production waste, this towel is spun from new threads and woven using a jacquard technique.

This eco-friendly towel is produced using a natural process that **avoids harsh chemicals, bleach and yarn dye**. This process **saves 5,000 liters of water per towel** compared to fast fashion cotton production. The GoodTowel meets the Oeko-tex standard 100 and is produced in Europe.  
**With every towel you contribute to a cleaner planet!**

Including full-color banderole and printed carelabel.
