## **GREENGLASSES**

**A127-GG**

We proudly present our collection of **100% recycled sunglasses with a very strong and durable frame**. The glasses are made of polycarbonate that has been collected and reprocessed after use. Therefore we contribute to a cleaner planet without compromising the quality of our glasses.

Sustainability and style go perfectly together in our **five unique models**: GreenGlasses Original, Club, Aviator, Round and Opener.

**Choose your favorite color and design and create a unique pair of glasses!** This way you are not only environmentally conscious, but you also wear glasses that fit you perfectly! Your eyes are optimally protected by the **UV400 lenses**.
