

## 3D BOTTLEBAG PACK KIDS A127-3DBBPK

Bring your brand or character to life with our **custom made 3D BottleBag Pack Kids**. This playful backpack is designed especially for children and combines practical use with a strong visual impact. The front panel can be fully customized with your own mascot, logo, character or campaign design. **Thanks to the 3D details, the design literally stands out**, creating a fun and eye-catching product that children love to use every day.

Made with attention to detail and suitable for schools, sports clubs, events, loyalty campaigns and promotional giveaways, this backpack is more than just a bag. It is a memorable branded item that keeps your message visible wherever it goes.
