

## BOTTLEBAG ORIGINAL

A127-BTB

The BottleBag Original is made of **six PET bottles**. The bag is foldable and easy to carry. It is possible to order the BottleBag in PMS color fabric with silkprint, but also all-over full-color by sublimation-printing. The BottleBag has extra reinforced seams through extra piping inside the bag. This makes the BottleBag very sturdy and can **carry up to 10 kilograms!** Tested by SGS. The bag has enough space and capacity for daily groceries. Every BottleBag comes in a pouch, attached to the inside when not folded. The BottleBag is **completely foldable** and fits into the pouch perfectly, which makes it easy to take everywhere on a daily basis. It's also possible to print the pouch by silkprint or full-color sublimation on both sides. Including custom woven sidelabel (2 x 4 cm) and custom-made hangtag (12 x 5 cm).

**MADE FROM  
SIX PET BOTTLES**

We begin by collecting and recycling PET bottles, which would otherwise end up in landfills or in the ocean.

The caps and labels will be removed before shredding the bottles into chips.

This way, the newly made products find their origin in PET bottles.

The chips are melted and transformed into strong recycled fibers.
