

Repreve collects bottles from beaches

PET bottles are selected to recycle

The PET bottles are being converted into small PET chips

PET chips are turned into new RPET Repreve-yarn

The yarn is knitted to make a fabric

The result is 100% recycled sportswear

100% RECYCLED sportswear produced in the EU

The high quality Motivato sportshirts give you the power to make a difference.

These shirts are made of 100% recycled PET bottles, so you contribute to make the world a cleaner place.

Recycled PET yarn from

ITALY

We are motivated to clean nature

The high quality Motivate sportshirts give you the power to make a difference.

Not only to give yourself and the people around you new energy to set goals and to achieve them, but also to motivate yourself and others to make a difference for the environment.

These shirts are made of 100% recycled PET bottles, so you contribute to make the world a cleaner place.

What is your motivation?
